## Letter Nov 8, 2003

### Medicon

On behalf of the Organizing Committee of 78th National Conference of **Indian Medical Association (MEDICON-2003)** and Annual Academic Conference (ACADIMA) we take great pleasure in inviting you to Guntur to attend MEDICON-2003 and ACADIMA on 27-29 th December, 2003 .

Guntur City is an educational center of excellence. The great academician and sage Acharya nagarjuna presided over university located near Nadikonda in the second century B.C. It was great center of Mahayana Buddhism. Famous temples of Goddess Kanaka Durga, Amaravathi, Kotappa Konda, Mangalagiri, Nagarjuna sagar dam, and Surya Lanka Beach are some places of tourism interest.

**Event Date :**  
**27th - 29th December 2003.**

**Venue:**  
**R.V.R. & J.C. College of Engineering** is located on the outskirts of Guntur city in a self sufficient campus of 24 hectares. Air Conditioned Conference

### NRI seats in GMC

NRI seats in Government Medical Colleges are 3% of the seats totaling 47 seats in all. The annual fee is around \$12000. It is based on Merit list in Intermediate exam or its equivalent. GMC gets 3 seats out of these and our sources say these are filled for this year. We're in the process of getting more information.

Halls with capacities of 1000 Members 300 Members & 250 Members and a fleet of 30 buses are at our disposal, 250 K.V. generator facility is also available. Senior members of IMA Guntur Branch Dr. K. Sadasiva Rao, Dr. K. Basava Punnaiah and Dr. M. Gopala Krishna, Dr. R. Srinivas are the management committee members of the Engineering College . More info about registration and accommodation at [www.imaguntur.com](http://www.imaguntur.com).

## Dr.Gokaraju Hari Rao Endowment fund in Anatomy:

quired for Endowment Fund) as contribution to the fund. All alumni and interested persons wishing to add and contribute to the endowment fund are more than welcome and may send their contributions to our treasurer Uma Gavani.

The funds will be managed by the Treasurer, GMCANA under the supervision of the Endowments Committee, President, President-elect and chairman of the Board of Trustees of GMCANA. 50 percent of the annual income will be awarded to the best GMC student in Anatomy that got the highest score in the Anatomy examination conducted by the University of Health Sciences. The award will be presented annually at the time of the GMCANA awards function. The remaining interest income will be added to the principle to protect against inflation.
